

My Medicare Annual Checklist

Print out and complete this checklist to help ensure you're choosing the Medicare option that best meets your health needs.

NAME:

- Check** your medication benefits: if your medication has changed in the last 12 months, make sure it will be covered
- Check** your coverage to see if it includes benefits like vision, dental, hearing, transportation or meals post hospitalization
- Review** your over-the-counter medication needs
- Register** for a Medicare 101 educational session at www.SeniorCareAdvantageofPalmetto.com
- Compare** options online at www.SeniorCareAdvantageofPalmetto.com*
- Review** all your plan benefits: are you making the most of your benefits?
